## Tennessee CSMD Registration Functionality and Fields in Current Platform

	A	AO	Tennessee CSMD Registration
1	User Type	I certify statement	Multiple Practice Locations Options
2	Practitioner	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Must support multiple practice locations that may or may not have a separate DEA Validation on DEA, Prof Lic and DL required Must support the ability to connect to supervisees (APN/PA/Delegates) Bypass License Validation on Login
3	APRN	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Validation on DEA, Prof Lic and DL required Must support multiple practice locations that may or may not have a separate DEA and each location requires a supervising physician who must be an MD or DO and support multiple supervisors for same practice location Bypass License Validation on Login
4	PA	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Validation on DEA, Prof Lic and DL required Must support multiple practice locations that may or may not have a separate DEA and each location requires a supervising physician who must be an MD or DO and support multiple supervisors for same practice location Bypass License Validation on Login
5	Resident / Fellow	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Manual approval Residents can only have one location currently as there is one institution liable for their actions Bypass License Validation on Login
6	Veterans Affairs	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Manual approval Veteran Affairs practitioners could practice at more than one Veteran Affairs location within the state or across into other states. Bypass License Validation on Login
7	HCE - Practitioner	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Validate DL on personal information as we rely on the supervisor as the true validator that this individual is who they say they are. HCE-Practitioners can have multiple locations and single or multiple supervisors for each location. Bypass License Validation on Login

## Tennessee CSMD Registration Functionality and Fields in Current Platform

	A	AO	Tennessee CSMD Registration
1	User Type	I certify statement	Multiple Practice Locations Options
8	Pharmacist	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Validation on Prof Lic and DL required for auto registration Must support multiple practice locations Bypass License Validation on Login
9	HCE - Pharmacist	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Validate DL on personal information as we rely on the supervisor as the true validator that this individual is who they say they are. HCE-Pharmacist can have multiple locations and single or multiple supervisors for each location. (Found issue in production) Bypass License Validation on Login
10	Investigator - Independent	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Manual approval Only one location supported as this is supposed to be for Medical Examiners Bypass License Validation on Login
11	Investigator - Supervisor	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Only one location supported (This is OIG TennCare Fraud Unit Supervisors) Bypass License Validation on Login
12	Investigator - Delegate	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Manual approval Only one location supported (This is OIG TennCare Fraud Unit Delegates) Each request made must be approved by a Investigator Supervisor When a delegate is registered Appriss has to manually associate them with supervisors (primary and a backup to approve requests) Bypass License Validation on Login
13	CSMD Admin	I certify that the information obtained from the CSMD will not be misused based on laws and regulations. I certify that I have reviewed the CSMD PMP policy and agree to abide by all terms of the policy.	Manual approval One Only location is supported and these are manual registrations performed by another CSMD Admin Bypass License Validation on Login

## Registration Functionality and Processes to Auto Register, Sent to Pending, Deny and Manual Creation of User Accounts

User Type	How registration is handled: Auto Register, Sent to Pending, Manual Creation	1. Validation Process and Process Path	2. Validation Process and Process Path	3. Validation Process and Process Path
Practitioner	Auto register with validation on DEA, Prof Lic and DL	If any validation on DEA or Prof lic fail registration denied	If DL validation fails or if out of state DL it goes to pending registration	
APN	Auto register with validation on DEA, Prof Lic and DL	Additional requirement - at least one supervisor for every location (supervisor add functionality based on Supervisor Driver License number to identify) - no supervisor enter not able to submit registration	If any validation on DEA or Prof lic fail registration denied	If DL validation fails or if out of state DL it goes to pending registration
PA Resident / Fellow Veterans Affairs	Auto register with validation on DEA, Prof Lic and DL All registrations go to pending for manual approval All registrations go to pending for manual approval	Additional requirement - at least one supervisor for every location (supervisor add functionality based on Supervisor Driver License number to identify) - no supervisor enter not able to submit registration	If any validation on DEA or Prof lic fail registration denied	If DL validation fails or if out of state DL it goes to pending registration
HCE - Practitioner	Validation on DL and a supervisor is required	Additional requirement - at least one supervisor for every location (supervisor add functionality based on Supervisor Driver License number to identify) - no supervisor enter not able to submit registration	If DL validation fails or if out of state DL it goes to pending registration	
Pharmacist	Validation on Prof Lic and DL	If validation on Prof Lic fails registration denied		
HCE - Pharmacist	Validation on DL and a supervisor is required	Additional requirement - at least one supervisor for every location (supervisor add functionality based on Supervisor Driver License number to identify) - no supervisor enter not able to submit registration		
Investigator - Independent Investigator - Supervisor Investigaor - Delegate CSMD Admin	Registration can be filled out but sent to Pending and requires manual approval CSMD Admin must create this account CSMD Admin must create this account CSMD Admin must create this account			
Pending Registration Search Functionality	FN, MN, LN, DOB From, DOB To, Org, DEA#, Occupation, Registration From, Registration To, Email Address, User Job	Capture of Date Registered and sent to Pending is Critical and has been effect since last quarter of 2012		
Denied Registration Search Functionality	FN, MN, LN, DOB From, DOB To, Org, DEA#, Occupation, Email Address, User Job	Capture of Denial Date is Critical and has been effect since last quarter of 2012		Would like to have Denied From and Denied To added to search elements
Approved Registration Search Functionality	FN, MN, LN, DOB From, DOB To, Org, DEA#, Occupation, Registration From, Registration To, Approved From, Approved to, Email Address, User Job	Capture of Approval Date is Critical and has been effect since last quarter of 2012
